MAKING PETS AND PEOPLE HAPPY

## Making pets and people happy

 Watch video

**COLLAR** Company has passed a long way in the more than 25-year history. From the first collar made by the founder of the company for his dog to the world-famous Manufacturing Company with more than 500 employees. The production grew out of three people in a two-room apartment, which produced several collars a day to large modern production. Nowadays, production facilities are growing and developing permanently, producing hundreds of thousands of products.

Our products earn honorable awards in many countries and are recognized by pet parents all over the world. We distribute to more than 70 countries, and the geography of our presence is constantly expanding.

We are discovering new technologies, introducing new materials, and creating products that change the pet market and provide additional opportunities for pet parents. A new premium pet accessories collection **WAUDOG** Design, **WAUDOG** Nylon is a result of a constant high-quality product approach. Following its motto — INNOVATION ONLY, the Company has released unique products — LED lamp for marine and freshwater aquariums AquaLighter, the most silent and smallest aquarium compressor aPUMP, the most durable EVOLUTOR lead and collar and much more. **PULLER** the unique dog fitness tool gaining more and more popularity and has led to an emergence of a new sport for dogs — **DOG PULLER**. The company holds over 20 international patents worldwide.

In 2016, the Company introduced the world's lightest dog jacket AiryVest to the world pet market.

Our research and design departments develop and launch new products on the pet market with strong competitive advantages. Products are in strong demand in many countries of Europe, Asia and America.

**WAUDOG** Nylon — pet accessories in 30 trendy patterns, collars, and leashes that glow in the dark.

- Impressive diverse patterns
- QR tag included
- Reliable hardware

Lifetime warranty on plastic and metal hardware

# SUPERHEROES SAVE THE WORLD!

**COLLAR** Company introduces new WOW DC Comics Licensed Product Line! Now, in addition to leather collars and retractable leashes, superheroes will appear on nylon products also. Bright, trendy, high-quality collars with unique hardware and a smart pet tag with QR passport will become the most popular among your customers.

### «Smart» QR pet tag

A person who scanned QR code gets access to the contacts of the dog parent. At the same time the dog parent gets his dog location by mail.

### Area for engraving

**NEW**

New **WAUDOG** Nylon muzzle is made of breathable elastic fabric. It allows the animal to feel comfortable even when wearing the product for a long time. Thanks to the bright drawings, which have already become the hallmark of **WAUDOG**, new muzzle goes well with other accessories of this brand. We also did not forget about the main thing — functionality. Durable belts made of wear-resistant nylon and plastic fastex with a lock provide reliability and safety of the product.

NEW

## WAUDOG Nylon harness with handle

New product of **WAUDOG** Nylon series is made of high-quality wear-resistant nylon with durable hardware and soft lining with reflective elements.

Quick-release harness is comfortable to use and wear. After a one-time fit, it can be easily put on and removed over a head and fastened with one movement. Soft lining reduces pressure on dog's chest and reflective elements make walking safer at night. The handle allows you to hold your pet in case of need.

## WAUDOG Nylon cord leash with shock absorbing effect

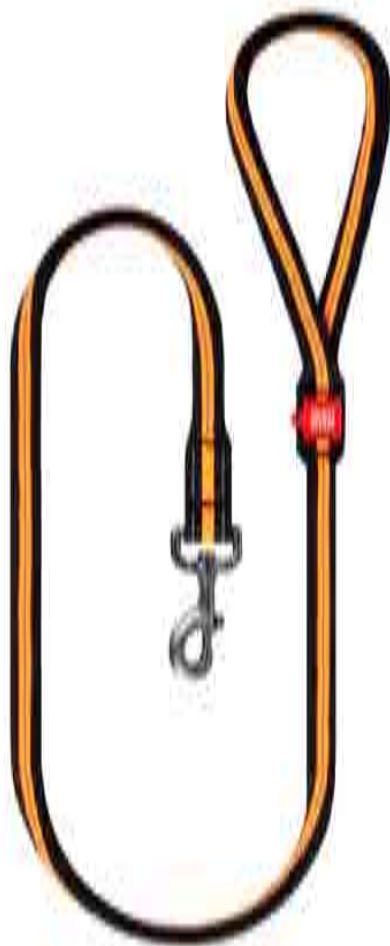

Another interesting novelty from **WAUDOG** is already in stock! A durable, comfortable and functional leash with a shock-absorbing effect will make walking with your pet more comfortable. This leash stretches smoothly neutralizing jerks or strong tension, holding an animal back and reducing the stress on parent's hand.

### Benefits

- Shock absorbing effect smooths out sudden jerks and strong tension
- Reflective thread — extra safety in the dark
- Lifetime hardware warranty

Shock-absorption

**WAUDOG** Re-cotton is series of dog collars and leashes of perfect combination of classic style and new technologies.

- Recycled cotton
- Hypoallergenic material
- ID tag with QR passport

Lifetime warranty on plastic and metal hardware

**Re-cotton**

Every little thing is thought out in these products. Soft-touch ribbon with increased strength is also hypoallergenic, which means it is absolutely safe for the animal. Reflective thread inserts and smart ID tag with QR passport on the collar provide additional security. Stylish melange colors make products attractive.

Ribbons used in this series are made from environmentally friendly recycled raw materials. Such materials are being developed specifically to fight industrial pollution of the planet.

# WAUDOG Smart ID — taking care of your pets!

These are stylish address tags with QR passport and colorful patterns.

## How WAUDOG Smart ID with QR passport works?

- 1 The dog is lost.
- 2 A passer-by meets a dog with WAUDOG Smart ID, scans the QR-Code.
- 3 A passer-by will be able to find out:
  - information about the pet;
  - contact details of the pet parent.
- 4 The pet parent will be able to receive:
  - e-mail with the geolocation of the scanned place;
  - direct phone call.

**IMPORTANT! QR passport works only after it is activated in the Animal ID app.**

Smart ID

**NEW**

**WAUDOG** Smart ID pet tag with QR passport, premium.

**Benefits:**

- Exclusive designs with DC Comics superheroes.
- QR code, scanning of which allows to get pet parent contact information.
- Unique opportunity to create a QR passport in the international pets database **animal-id.net**.
- Fast sales! Tag without personalization does not require time for additional order processing and is always ready for sale.
- Silicone silencer protects tag edges and makes it silent

**Features:**

**Diameter:** 25 mm

**Material:** steel

**Protective cover:** silicone silencer

**Weight:** 6 g

**IMPORTANT! QR passport works only after it is activated in the Animal ID app.**

## Clothes

### soft dog harness

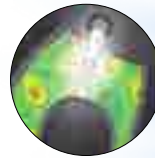

Stylish and comfortable quilted harness **WAUDOG** Clothes is ideal for small dog breeds. Soft and light, but at the same time reliable and ergonomic, the harness does not hamper the movements of the animal and evenly distributes load.

Innovative velcro fastener does not cling to dog hair! This makes the dressing / undressing processes absolutely painless for the animal.

Reflective elements on the back and "smart" QR pet tag ensure the extra safety of the dog.

#### Benefits:

- DC Comics superhero exclusive designs and other unique patterns
- Reflective elements
- Pet tag with QR passport

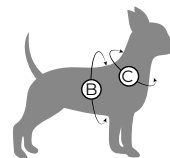

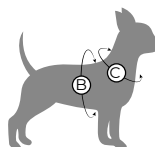

Reflective

A person who scanned QR code gets access to the contacts of the dog owner. At the same time the dog owner gets his dog location by e-mail.

# WAUDOG Family waist bag

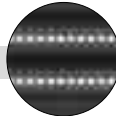

A new stylish accessory from **WAUDOG**, which has already had its fans, has become even more interesting.

Licensed Series not only pleases with cool designs in DC Comics style, but also provides consumers with a unique opportunity to customize the accessory. Additional replaceable pockets can be purchased separately. This makes it possible to adapt the bag to the style and mood of its owner.

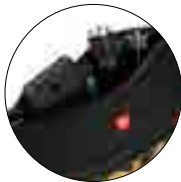

### Benefits:

- Exclusive and trendy design in Superheroes style (DC Comics)
- Customisable pocket
- Reflective tape

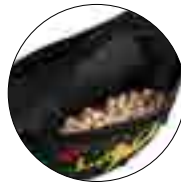

**Size: 33\*17\*10 cm**  
**Girth: 92-140 cm**

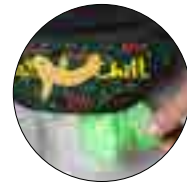

**The bag has 3 pockets (2 with a zipper and 1 with snap buttons).**

**The first pocket** is perfect for small things that you may need while walking (phone, keys, money, etc.).

**The second pocket** is for food and treats. The special coating prevents the absorption of grease and unpleasant odors, it is quickly and easily cleaned with a damp sponge.

**The third pocket** is removable. Convenient to use for placing collars and leashes (you can put a twisted leash or a muzzle) or poop bags.

Unique **WAUDOG** ring-shaped retractable leash will completely change your idea of comfortable walking your pet!

Thanks to an innovative patented design, the weight center is shifted to a handle. This reduces the stress on the human hand and ensures maximum comfort even during the longest walks. Additional option is "hands-free"! Ring shape allows you to put a leash on your wrist and free both hands for other accessories. Product weight is 212 grams (less than a standard S size retractable leash). Multipurpose size XS-M saves space for display in retail outlets. Besides all this, original stylish designs are guaranteed to catch the attention of every customer.

### Benefits:

- Ergonomic design: reducing the stress on the hand, "hands-free" option.
- Stylish appearance
- One size fits all: for dogs up to 40 kg

## WAUDOG Nylon cat collar

Adorable **WAUDOG** Nylon cat collars will impress all parents of these pets. Soft and at the same time wear-resistant nylon, an elastic insert, a bell for scaring away birds and mice, as well as an ID tag with a QR passport make the collar not only beautiful, comfortable, but also safe.

A person who scanned QR code gets access to the contacts of the dog parent. At the same time the cat parent gets his cat location by e-mail.

## WAUDOG Nylon cat harness with leash

Another WOW product from **WAUDOG** Nylon for «the most little ones» — dog harness with leash. Soft nylon with bright fashionable patterns and high-quality hardware make the products of the series not only functional and reliable, but also as comfortable as possible for cats and small dog breeds. Each set comes with a smart ID tag with QR code that allows parents to create an electronic passport for his pet.

### Benefits:

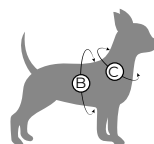

- Soft nylon
- Wide variety of designs
- «Smart» ID tag with QR passport

A person who scanned QR code gets access to the contacts of the dog parent. At the same time the dog parent gets his dog location by e-mail.

Stylish and comfortable quilted harness **AiryVest ONE** is ideal for small dog breeds.

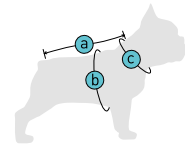

**Benefits:**

- Soft and light, but at the same time reliable and ergonomic, the harness does not hamper the movements of the animal and provides a uniform load.
- Innovative velcro fastener does not cling to dog hair! This makes the dressing / undressing processes absolutely painless for the animal.
- Reflective elements on the back ensure the safety of the dog in the dark.
- Can be washed in the washing machine.

The innovative design of **AiryVest UNI** jackets allows them to stretch up to 20% width. This feature makes size selection easier, expands the list of recommended breeds and gives the ability to choose clothes even for dogs with non-standard body parameters.

**NEW**

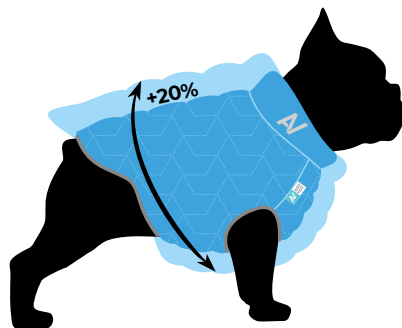

**Benefits:**

- Elastic!
- Ultralight
- Stylish design
- Reversible: two colors in one jacket
- Easy to put on due to special zipper design (fastens from top to bottom)

**AiryVest UNI dog jackets have unique feature: one size fits dogs with different chest and neck girths. The innovative design of these jackets allows them to stretch up to 20% width.**

This feature makes size selection easier, expands the list of recommended breeds and gives the ability to choose clothes even for dogs with nonstandard body parameters.

At the same time, the full size range is reduced by half (6 sizes). This facilitates the placement of jackets in the outlet (takes less sales area).

**TelePet** — an excellent alternative to plastic pet carriers. If you urgently need to deliver an animal from the pet store to a new home or to see a veterinarian, but you are not ready to purchase expensive carrier, use the cardboard box for transportation of animals TelePet.

**TelePet** is made of durable cardboard, has reinforced handles and a double bottom, which allows you to use it more than once. Withstands a load up to 8 kg. Compactly folds and does not take up much storage space.

**TelePet cardboard carry-box**

Code	Size, cm	Transportation, pcs
9070	45x22x43	3

**Benefits:**

- Easy and practical to use.
- Durable: comfortable reinforced handle and double bottom.
- Safe: specially designed locks do not allow an animal to get out of the carrier by itself.
- Compact in storage.
- Simple assembly: illustrated manual on the bottom of the carrier.

 Watch video

**PULLER** is an innovative dog fitness tool which consists of 2 rings. Regular workouts with PULLER solve the problem of lack of physical and emotional activity and help dog parents bond with their pets.

**Unique material**  
Soft, yet durable.  
Dogs love it to train with it!

**Absolutely safe**  
for dog's jaw or teeth

**Floats**  
The rings are immersed in the water only ¼ and are visible from the shore

**Running**

The dog catches up and brings PULLER rings one by one

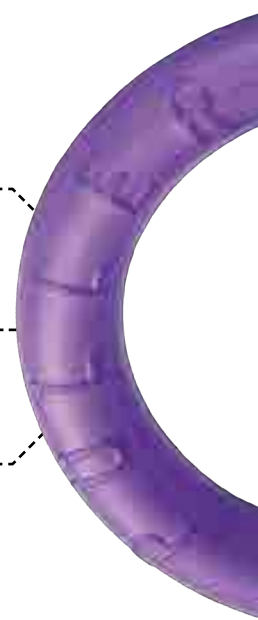

**Jumping**

Dog jumps and catches a PULLER ring. Once a dog grabs the ring, give another one instead.

**Pulling**

Dog pulls PULLER rings that you hold in your hands.

The set of two rings provides the maximum result

PULLER is used as a set of two rings. The second ring is not a spare.

**Workout with two PULLER rings simultaneously:**

- Allows you to give the dog a full load in a short period
- Maintains contact between dog and a pet parent
- Allows you to teach a dog to return an item
- Teaches a dog to switch from one subject to another

- Amstaff
- Cane Corso
- Doberman
- Giant Schnauzer
- Labrador retriever
- Malinois
- German shepherd
- Pit bull

## PULLER MAXI

Dog fitness tool

Code	Diameter, cm	Thickness, cm	Weight of 1 ring, g
6492	29	7	585

### Recommended for:

- |                 |              |
|-----------------|--------------|
| Amstaff         | Great Dane   |
| Bullterrier     | Mastiff      |
| Cane Corso      | Newfoundland |
| German shepherd | Pit bull     |

One ring of the largest size. The unique shape with an inside deepening with a comfortable grip on the ring. Suitable for training large and giant dog breeds weighting over 45 kg.

PULLER MAXI is used for spring pole (**only with a band, not a cord**) and swimming. Also, PULLER MAXI is used for exercises with all other PULLER sets of two rings: "Running", "Jumping", "Pulling". In this case, you should use two PULLER MAXI rings. Pet parents of large dog breeds often use both PULLER STANDARD and PULLER MAXI sets for training — it allows them to vary workouts as much as possible.

## AquaLighter — aquarium comes alive!

The catalog contains Aqualighter products developed and manufactured by **COLLAR** Company, according to the latest developments in the aquarium industry.

Each product has unique properties and compares favorably with other manufacturers in the world market:

- the most silent aquarium air pump in the world;
- innovative LED lamps (from easy-to-use to professional ones, which allows you to control the color temperature and spectrum independently);
- heaters with a durable frame and minimalistic appearance;
- aquarium sets with optimally selected accessories;
- protection of aquarium glass and stones against plaque and fouling;
- each device meets the requirements for extreme humidity operation and maintenance;
- every product is created to be attractive and functional, matching any interior.

**COLLAR's** innovative products are highly appreciated by experts at prestigious international exhibitions, as well as recognized by aquarists in Europe, America, and Asia.

**For cooling of the freshwater and marine aquariums up to 100 L**

**The cooling fans aFAN and aFAN Pro are intended for aquariums cooling and also to air circulation in the terrariums of any type.**

- Efficient cooling despite the small size
- The fan is attached to the outer wall of the aquarium for preventing aFAN from early failure due to humidity and corrosion
- Has two speeds: standard and high
- Can be mounted on the aquariums with wall thickness up to 8 mm
- Can be powered via USB connector from a computer or a laptop
- PRO model is equipped with a thermostat and allows to adjust fan's operation in automatic mode. On a casing there is a control knob which allows setting a temperature for fan's automatic switch on/switch if within a range of 20°C to 30°C
